

Career of the Week

Interior Designer

What do we do? *

We create pleasing and functional indoor spaces. We design the look and layout of homes and commercial spaces.

Subjects & Route*

A great job if you love Art and Design. To become an interior designer, it is likely you will need a bachelor's degree or higher national diploma (HND). You could take a course in interior design or spatial design. Many of these programmes include work placements. These allow you to get some experience. You will be able to work under the guidance of an established interior designer. You will also have the chance to build a portfolio. This is a sample of your best designs. It showcases your talent to employers. Other useful courses you can take include:

- 3D design
- interior architecture
- fine art
- product design
