November 2022

Welcome to our November issue of Malone Monthly, it has been another jam packed month. This year we are celebrating 25 years of Malone, we launched the beginning of our celebrations on 21st November. Departments planned lessons and activities focusing on the number 25. We also welcomed back former Principal and current chair, Mr Leonard, he held an assembly for our year 8 pupils who had the opportunity to hear how Malone started and lots of funny stories about working in the Cutts, the site where it all began. We will continue to celebrate throughout the year with lots of fun in store!

As part of Antibullyingweek our post 16 students created a presentation and held an assembly for our year 8 pupils. It was very informative and their message was clear to reach out and talk to someone if they are experiencing bullying or know someone who is.

At the beginning of the school year our pupils designed hands for an Anti-bullying display with is presented outside our wellbeing room to remind pupils to be kind, respect one another and that they are not alone.

## Art Trip to The Ulster Museum

GCSE & ALevel students had the opportunity to visit the Ulster Museum. They attended a lecture from artist Colin Watson and visited the Royal Ulster Academy where they looked at a range of different pieces of art work, including some from our art teacher, Miss Mercer. Afterwards they were allowed to explore the rest of the Museum, of course they headed straight to see the mummy and also enjoyed trying on costumes from different era's and from around the world. It was a great day out!

## ARTIST COLIN WATSON VISIT

Following the visit to the RUA the pupils were so inspired by Colin Watson's talk that they decided to study his work as part B of their GCSE art course, they were delighted when he brought information from all his collections in and looked at their work, he was full of praise with the pieces they have produced so far.

## Saturday School

Seventy-five Key Stage 4 pupils demonstrated their commitment to achieving their potential in the GCSE exams in November by attending two weeks of Saturday School at Malone College. With GCSE unit entries at the end of November, our pupils were glad to take advantage of the additional English and Maths classes offered- they were even more glad to enjoy the pizzas delivered to each session! Malone College are very grateful to the BSCR, who are integral in facilitating these valuable revision sessions. Good luck to our pupils in their unit exams!
